Welding and Allied Processes:	BS EN ISO 4063: 2010: 111, 114, 121, 131, 135, 136, 138, 141, 152.
Responsible Welding Co-ordinator:	Juha Rintala : (IWE FI 00430) Comprehensive knowledge

Certificate Number HEQ0005642/001

Original Approval 6 April 2016

Current Certificate 26 October 2016

Expiry Date 31 December 2021

S. C. Emeny on behalf of Lloyd's Register Verification

*Lloyd's Register Verification Limited (Reg. no. 4929226) is a limited company registered in England and Wales. Registered office: 71 Fenchurch Street, London, EC3M 4BS, UK.
A subsidiary of Lloyd's Register Group Limited.*

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

Comments

Validity of the Certificate

This Certificate remains valid provided:

There is no change to the Recognised Welding Coordinator.

LRV is permitted to perform the annual verification.

No modifications occur which affect the validity of the certificate. If such modifications do occur LRV is to be informed immediately by the manufacturer so that a decision on validity of the certificate can be made.

Note:

If a valid certificate is to be renewed, the renewal must be applied for at least **two months** before the end of the period of validity of the current certificate.
